Att: David & Corey:

We would like to take this opportunity to say thank-you for an excellent job done on our roof. The crew that you sent up were absolutely excellent.

We found them very polite, fantastic to talk with, and they all seemed to enjoy their jobs.

We were particularly impressed with the attention to detail, covering the sides of the house, flowerbeds, and anything else that needed protection.

The most impressive thing was the cleanup. Other than a couple of nails, which I stumbled upon, you would never have known they had been there.

The shingle job was most impressive, and we have had a couple of comments already on the finished job, neat, tidy, straight lines and an excellent job on the ridge cap.

Based on what we saw, we would highly recommend your company to anyone, and especially this particular crew.

Thank-you for a job well done.

Regards,

Lloyd & Nancy Morden
